

Château Cambon was bought in 1995 by **Marcel and Marie Lapierre** (Domaine Lapierre) in association with **Jean-Claude Chanudet** (Domaine Chamonard).

In 2022, **Alexandre Iwasuila** joined the estate and progressively took over its executive direction. Château Cambon owns **18 hectares** of vines which are **grown organically**. They pay specific attention to the fact that there are as low interventions in the cellar as much as possible.

TERROIR

The plots are located close to Villié Morgon on the famous road of the crus du Beaujolais, on a clay soil, very close to the famous Château de Pizay.

The vines are aged between 40 and 60 years old.

They are farmed organically with regular ploughing.

WINEMAKING AND AGEING

All our grapes are handpicked.

Direct and delicate press of the Gamay grapes in a pneumatic press.

Vinification and foam intake in the bottle.

Disgorgement in February of the following year.

Salmon color, the mouth reveals aromas of small fresh fruits as well as a very delicate bubble.
