

Château Cambon was bought in 1995 by **Marcel and Marie Lapierre** (Domaine Lapierre) in association with **Jean-Claude Chanudet** (Domaine Chamonard).

In 2022, **Alexandre Iwasuila** joined the estate and progressively took over its executive direction. Château Cambon owns **18 hectares** of vines which are **grown organically**. They pay specific attention to the fact that there are as low interventions in the cellar as much as possible.

Beaujolais Blanc

APPELLATION

AOC Beaujolais

GRAPE

100% Chardonnay

TERROIR

It is a single vineyard 2 hectare plot which is located just outside the Château.

Clay soil

The young vines are 10 years old.

They are farmed organically with regular ploughing.

WINEMAKING AND AGEING

All our grapes are hand picked.

Direct light pressing of the grapes on a pneumatic press.

Ageing is carried out both in stainless steel vats (90%) and in 228 L oak barrels (10%) during 8 to 9 months.

The wine is estate bottled the following spring with a light sulfiting (20 mg / L)
